The rice tastes just like Moms!

The open-faced salty fish!

I knew it! Japanese people love natto!

TL: Itadakimasu: A phrase said before eating or drinking.

I made it myself with all my love!!

Western style meals, huh?

I think they should have served some western style meals occasionally.

Croissants are the best!

The breakfast they served at the hotel we stayed at last time was delicious, too ...

Well, you *could* have had that, right? It was a high-class hotel ...

Since I dislike them, I don't make them that often ...

This is the kind of stuff I eat, myself ...

I'll make it as well as eat it ...

Let's have fruit, too, ne?!

I want to eat a mushroom omelet!

Yay!

Yay!

As for the soup, let's make it miso!!

Yay!

Yes, yes!! Let's make crispy bacon!!

All right!! Let's make western food tomorrow, ne?!

Yay!

Let's make it just like the hotel!!

Yes.

Hmm ... so that's a no-go ...?

It's okay to ignore what Kyouhei's saying ...

Man ... after all that, we won't need a salad!!!

Bread with natto is great, too!!

Yay! Let's make miso to go with the bread!!

The song they are sing ng on the final page is called, "When Driben into a Corner Lift Your Tail Rea High."

^— I wasn't sure of whether this was the correct spelling of this word. so I wrote it with Hiragana then It was actually "When Driven into a Corner" though. (Credit goes to Rote'ka-san)

It is a song from a band called NEW ROTE'KA.

A Note From Cireus

Hey, guys. It's been awhile, I know, and I also realize that many people are wondering just what happened to our scanlation group. Let me start off by apologizing. As many of you who frequent the forums know, 2008 has literally KICKED MY ASS, in every sense of the term. I've had so much to deal with this year, particularly from July onward, that, in many ways, I was unable to function in anything but the basest of capacities, and because of that, I have to apologize for MYSELF, and, unfortunately, my inability to function also impacted Cireus-Scans. See, I typeset PGE, Stigmata, Phantom Wizard, and Reideen. I also edit Sayonara Zetsubou Sensei and Wind Up Tina .. so I guess you can figure out what happened there. Everything came to a screeching halt, and for that, I absolutely and sincerely apologize.

My mother in law passed away in July, and that sort of set off a chain of events that escalated to my father in law moving in with us for awhile, and while it was what he needed, I ended up pretty much being the babysitter for the duration. Mind, I had no issue doing this, but ... well, I had no time left for anything else, and by the end, I was so emotionally drained that it just wasn't funny. Then the recession REALLY hit us, and between stressing out over funds to keep the website up and running (THANKS to the FANTASTIC forumers!!!!) we were able to pay the bills and are hoping to raise enough money to purchase more server space.

And then there was the HUGE problem ... We ran out of PGE raws. We had all the raws through vol 20 but nothing else. Now I HAVE to pause here to give a LARGER THAN LIFE shout-out to forumer cynsny. Because of her generosity, I now have vols 21 and 22, and we're back on track.

So what does all this mean? Well, it means that the chapters I've got in stock from our FAN-FRIGGING-TASTIC translators are in typeset (or done) and we're shooting for a mass release sometime this month.
What do we already have? Well .

* PGE 81 (typesetting)
* PGE 82 (translating)
* Wind Up Tina c 5 (typesetting)
* Sayonara Zetsubou Sensei c 22 (grammar edit)
* Phantom Wizard c 15 (edit/proof)
* Stigmata c 8 (finalizing)

And with any LUCK, we'll have a few more surprises in stock, too.

Lastly, a HUGE thank you to everyone who has expressed their concern and their love and best wishes.
We swear, we won't leave you hanging!!!

With all my affection,

Cireus

The Japanese New Year

... this coming year, too!
LET'S STAY TOGETH-ER ...
NEW YEAR !!
HAP-PY ...
Dried sea-weed, too.
I brought the obligued radishes, soy flour, red bean jam, and sugar.

This is the "Japanese New Year"!
TSUKITATE IS THE BEST!
Mmmmmmmm...
TASTY
LET'S FLY KITES LATER!
AND SPIN SOME TOPS, TOO.
And play sugoroku, Badminton, and Lucky Laugh.
BAD-MINTON IS KIDS' STUFF!
あはははは
SFX AHAHAHAHAHA
A PEACEFUL 2008 BEGINS IN THE NAKA-HARA HOUSE-HOLD...
SFX • GEROGA
LET'S GO! LET'S GO!
You can go and dress appropriately, too, Sunako-chan!
AMAZAKE!!
I HEARD AMAZAKE IS HIROOKA'S TEMPLE'S SPECIALITY
LET'S PAY OUR FIRST VISIT TO THE TEMPLE ...
... AND FILL UP OUR STOM-ACHES, TOO!

IT WAS ONLY OZOUNI-- JUST OZOUNI
Since there's still a bit of shopping needed for tonight's meal, ozouni, I'll be going ...
(... alone ...)
Ozouni!!
Ama-tare ...
AND THE SUPPOSEDLY-PEACEFUL 2008 .
... WAS TO HAVE A BEGINNING THAT NO ONE EXPECTED ..
Eh?
MOCHI SQUARE
... MOCHI ROUND !!
YEP!!
MAKE THE ...
HUH? IT IS SQUARE (AND THE MISO IS RED ...)
THE MOCHI IN OZOUNI IS ROUND, RIGHT? (AND THE MISO IS WHITE ...)

The True Story

Because of work, I was not able to attend Kiyoharu-sama's LIVE show ♡♡♡ half a year ago.
But FINALLY, I WAS ABLE TO GO THIS TIME!! KYA!!!
Really, he's so cool! ♡♡♡ He's definitely the BEST MAN IN THE ENTIRE WORLD!!! ♡♡♡♡♡
His new album is so famous!♡ Kiyoharu-sama's songs are so very good and so very cool that I always end up crying in agony, but it is normal(?) to cry, after all!!

"It is a good song if it makes you cry," and with that voice, it gets to me, so don't judge me!!

Ahem, err, anyway, he's too cool ♡♡♡ at anything and everything
♡ His melodies, his lyrics, his voice, his face, everything...
♡♡♡
Why, he's even cool in any epoch too... ♡

Kuro Yume, too. Sads, too, and Ron, too.
All of them are cool!! ♡♡♡

ROUND MOCHI AND WHITE MISO!!
WITH WHITE RADISHES, CARROTS, POTATOES AND MITSUBA BAKED WELL!!
AND THE SQUARE MOCHI WITH RED MISO!!
CHICKEN POTATOES WHITE RADISHES MITSUBA AND NARUTO!
DESSERT WAS → KURIKINTON
Round mochi stuffed with red beans and white miso!
With chicken, white radish, potatoes, Komatsuna, and Kamaboko.
Red beans rejected!
Eh? Why?!
GRILLED SQUARE MOCHI SHOULD BE OBVIOUS.
AND THE ONLY THINGS IN IT OUGHT TO BE CHICKEN AND KAMABOKO! (BECAUSE I DON'T LIKE OTHER STUFF AND WON'T EAT IT ...)
The sweet and salty mix is delicious ...
YOU MORONS REALLY DON'T KNOW DELICIOUS IF YOU DON'T HAVE THE FRIED MOCHI SOAKED IN THE SOUP.
BUT THE RED MISO IS THE BEST!!
THE TASTY STUFF IS THE GOOEY WHITE OMOCHI AND THE GOOEY WHITE MISO!!
LISTEN YOU BLOCKHEADS! I'VE BEEN EATING THE SAME ONE EVERY YEAR!!!
IF I EAT SOMETHING DIFFERENT I CAN'T START THIS YEAR!!!!
BUT MINE TASTES LIKE MOM'S!!!
Which means YOU HAVEN'T EATEN other types of ozouni, so you wouldn't know.

IN THAT CASE, WE MIGHT AS WELL GO BACK TO OUR OWN HOMES.
Round or square ...
... white miso, red miso, or just plain clear ... Anything is okay, but ...
... leave the choosing of the ingredients to me!!!
Uh ... Excuse me ...
Which, by the way ...
WHICH BY THE WAY ...
ISN'T CLOSE ENOUGH TO GO BACK TO
MY HOME

Butt out.
The saying goes, "A year's plan must be made on the first day of the year ..."
... so what's with your, "anything is okay"?
So someone just wearing a jersey has no right whatsoever to decide.
Yeah! That's right!

TL: HE'S TELLING HER SHE AREN'T LISTENING TO HIM BUT BUTT OUT BUT ALSO IT'S THEIR MEANING

TL: SHE ISN'T WEARING TRADITIONAL DRESS AND THE BOYS ARE BEING OBNOXIOUS AROUND

This calls for a con-test.
We don't want to go home, but ...
... we can't let go of the ozouni.

Tsukitate is freshly pounded rice cakes.

Sugoroku refers to two different forms of Japanese board game, one similar to western backgammon and the other similar to western Snakes and Ladders.

Lucky Laugh is a Japanese game played around new years ("shogatsu"). The game is usually played by children, but adults may sometimes play also. The game is similar to that of Pin the Tail on the Donkey, whereby the players pin different parts of the face (such as the eyes, eyebrows, nose and mouth) onto a blank face and laugh at the humorous results.

Amazake is a traditional sweet, low-alcoholic Japanese drink made from fermented rice.

Ozouni, which literally means 'mixed stew', is a soup with mochi cakes in it. There is no one set recipe, and there are lots of regional variations. -www.justhungry.com, src

Kamaboko is a variety of Japanese processed seafood products, made from surimi, in which various white fish are pureed, formed into distinctive loaves, and then steamed until fully cooked and firm in texture. Some extant English names for kamaboko are fish paste, fish loaf, fish cake, and fish sausage. Tsuji recommends using the Japanese name in English because no adequate English name exists, other than the Jewish dish, gefilte fish, which is somewhat similar. --Wikipedia, src

Kurikinton is mashed sweet potato with sweet chestnuts (kuri). It's one of Japanese New Year's food (osechi). -japanesefood.about.com, src

Naruto is another name for Kamaboko. Some kamaboko are made so that a slice looks like an object. The most common pattern is a simple spiral – sometimes referred to as "naruto" in reference to a well known tidal whirlpool near the Japanese city of Naruto. -Wikipedia, src

Mitsuba is Japanese Parsley.

Komatsuna: Japanese Mustard Spinach.

"A years plan (..)" is a Japanese proverb that means the earlier you do something, the best. New Year is a very important date and how you start it supposedly will decide how lucky you shall be that coming year.

"Karuta". It is a card game played with poems. The basic idea of any karuta game is to be able to quickly determine which card out of an array of cards is required and then to grab the card before it is grabbed by an opponent. There are two standard types of game "uta-garuta" (the one with poems) and "iroha-garuta" (with hiragana). In the "uta-garuta" you try to find the last two lines of a poem given the first three lines. These poems are taken from the Hyakunin Isshu, is an anthology of waka poems. The name translates to "One hundred people, one poem". -economicexpert.com, src
Some waka poems can be found here: *http://etext.lib.virginia.edu/Japanese/hyakunin/index.html*

Shogi is a Japanese game akin to chess.

Hantesuki is Japanese badminton though they play without the net, and the ball is a bit different from a birdie.

Visual Key refers to a movement among Japanese musicians, that is characterized by the use of eccentric, sometimes flamboyant looks. This usually involves striking make-up, unusual hair styles and elaborate costumes, often, but not always, coupled with androgynous aesthetics. -Wikipedia, src

Shichimi is a Japanese style paprika. Kyo-shichimi: Kyoto seven spice, containing a high proportion of sansho pepper.

Osechi: New Year's food.
